# International programme staff

Please remember to follow the proper procedure and start the process very early as it will take some time to go through each of the steps.

## For NAs hosting IPP, Seminar Camp, Step Up, Village or Youth Meeting

- In every case, the person responsible for staff selection in the host NA should send a formal inquiry to the home NA of the person they want to invite, asking if they may invite him/her. The home NA might refuse if they feel that they cannot recommend the person as a staff, or that they need the person for a programme at home. If this is the case, the home NA has the final say.
- If the home NA agrees, the person in the host NA responsible for staff selection should send an invitation to the invited person with a copy to the home NA. The invitation must contain the Staff-Leader Application Form, two Reference Forms, as well as a clear statement regarding the following:
  - the position (Programme Director or ordinary staff member)
  - any financial obligations, travelling conditions, etc.
  - relevant staff education/training
  - pre- and post- programme days

## For all international staff

An applicant for an international staff position for any programme must:

- fill in a Staff-Leader Application Form and send it to the person in their NA who is responsible for staff selection
- ask two referees to complete the official CISV Reference Forms and forward them directly to the person in their NA who is responsible for staff selection
- work with the person in his/her home NA who is responsible for staff selection to arrange for a police check (where possible according to national law) to be carried out and sent to that person for review

The person in the Applicant's home NA who is responsible for staff selection should:

- review the Staff-Leader Application Form, references and police check
- (if all is satisfactory and the applicant is considered to be a suitable candidate) sign the CISV certification at point 11 of the Staff-Leader Application Form
- forward a copy of the Staff-Leader Application Form and the references (not the police check) to the person in the host NA who is responsible for staff selection, which indicates that the home NA is agreeing that the person may be selected for an international staff position

Anyone interested in becoming international staff can check for international programme staff opportunities on www.cisv.org.
